

EUROPEAN OIL & GAS ARCHIVE
NETWORK ANNUAL
CONFERENCE

Tour Coupole, La Défense, Paris

1 – 2 June 2017

EOGAN

European Oil & Gas Archives Network

Thursday 01 June

09:30 – 10.00 Registrations open – coffee

10:00 – 10:15 Welcome: Total representative

10.15 – 10.30 Welcome: Siobhan Convery, Convenor, EOGAN

10.30 – 12.00 SESSION 1: Energy Transitions – Lessons from History

	CHAIR:	
1.	Professor Brian Black Penn State University	'Leaping the Gap: Tracing Changing Conceptions of Energy in World History'
2.	Professor Yves Bouvier Paris-Sorbonne University & Dr Leonard Laborie National Center for Scientific Research, UMR Sirice (Paris)	'Lessons Learnt from Writing History with Energy Transition'
3.	Marten Boon Norwegian University of Science and Technology	'Royal Dutch Shell and the Marketisation of Oil (1974-1990)'

12.00 – 13.00 Lunch and exhibition of material from Total's corporate archives

13.00 – 15.00 SESSION 2: Economic and Social Transitions in Energy

	CHAIR:	
4.	Dr. John V. Bowlus Center for Energy and Sustainable Development, Kadir Has University, Istanbul	A Farewell to King Coal: Global Power and the Transition to Oil, 1901-17 (Paper by Dr. Volkan Ş. Ediger & Dr. John V. Bowlus)
5.	Dr Emmanuelle Gallo École Nationale Supérieure d'Architecture de Bretagne	'Sources and Methodology for Studying Energy Consumption in some Parisian Public Buildings (19 th - 20th Centuries)'
6.	Trude Meland Norwegian Petroleum Museum	'Kristiansund: A small city facing a major industry'
7.	Joe Chapman 'Capturing the Energy', University of Aberdeen	'Are reports of North Sea oil's death greatly exaggerated? Lessons from history'

15.00 – 15.30 Coffee

15.30 – 17.00 SESSION 3: Documenting Transition: the Role of Archives

	CHAIR:	
8.	Ine Fintland & Torkel Thime Norwegian Oil and Gas Archive, Regional State Archives, Stavanger	'The Value of Archives in Times of Transition'
9.	Dr Terry Brotherstone & Andrew MacGregor University of Aberdeen	'From Creator to Archivist to User – How the Oral Record Contributes to Energy History: examples from the experience of the <i>Lives in the Oil Industry Project</i> '
10.	Eivind Skarung Norwegian Oil and Gas Archive, Regional State Archives, Stavanger	'Decommissioning: challenges and opportunities for archival institutions'

17.15 – 18.30 Reception: drinks and canapés – free evening

Friday 02 June

09.00 – 09.30 Coffee

09.30 – 10.30 SESSION 4 – Keynote and Q&A

	CHAIR:	
11.	Alain Beltran Director of Research, CNRS	'The constitution of the history of energy in France'

10.30 – 12.00 SESSION 5: Energy History in France and the French-speaking world

	CHAIR:	
12.	Dr Marta Musso European University Institute	'Oil for development: French-Algerian and Italian-Algerian negotiations in the aftermath of the independence war (1962-1971)'
13.	Radouan Mounecif University of Paris 8	'Petroleum engineers and technicians in colonial and postcolonial Algeria: a contribution to social history of the French oil industry (1944-1971)'
14.	Dr Benoit Doessant Paris-Sorbonne University / Total	'Maritime Transport of Hydrocarbons: the French oil companies between economic imperatives and obligations of flag (1918-1998)'

12.00 – 13.00 Lunch and discussion with Dr Roberto Cantoni about his new book

13.00 – 14.30 SESSION 6: Capturing Transition: Photography and Visual Culture

	CHAIR:	
15.	Fabrizio Trisoglio Fondazione AEM	'The Cathedrals of Energy: tradition and innovation in AEM Historical Archives'
16.	Rudmer Canjels Shell	Filming Royal Dutch Shell: Prospecting for Science, Technology and Progress
17.	Barbara Bergaglio Fondazione Camera - Centro Italiano per la Fotografia, Torino	The case of the reuse of Eni's photographic archives

14.30 – 15.00 Coffee

15.00 – 16.30 SESSION 7: Technological Innovations in Energy

	CHAIR:	
18.	Dr Roberto Cantoni Sciences-Po CERI, Paris	'Second Galicia? Poland's fossil narratives in the longue durée'
19.	Kristin Øye Gjerde Norwegian Petroleum Museum	'The subsea-technology development on the Norwegian continental shelf'
20.	Finn Harald Sandberg Norwegian Petroleum Museum	New Energy – same technology (Hydro - Petro - Ventus)

16.30 – 17.00 Members meeting & AGM

Please note: it is possible that the speakers, and the order of papers in each session, might change
